

ROBIN® 600 Plasma Spot

Bright ROBIN® 600 Plasma Spot Light enters the scene with all of the unique possibilities of innovative Plasma lamp technology – a perfect colour rendering index (CRI = 94), an extremely flat and even light beam (1:1.5) and a lifespan of 10.000 hours and now also with a very powerful output of high quality light. ROBIN® 600 Plasma Spot Light can provide solutions in situations with demanding requirements especially those of High Definition recording.
